

#C052

Macrame Gnome

Easy

DIFFICULTY

Easy - Approx.10 mins

MATERIALS

- Opal White Macrame Cord 20cm x 4
- Opal White Macrame Cord 30cm x2
- Arbee wood beads ring large
- Arbee wood beads raw 20mm
- Christmas Fabric 15cm x 15cm
- Fairy floss fill
- Arbee macrame string
- Beads
- Bell

EQUIPMENTS

- Glue gun / glue sticks
- Ruler
- Scissors
- Sullivans hairbrush

STEPS

1. Cut 4 pieces of 20cm macrame cord for the beard and 2 pieces of 30cm for the moustache.
2. Attach 4 pieces of macrame cord to the ring using a lark's head knot. Wrap the folded part of the macrame through the ring and pull the ends through the loop and pull to secure.
3. Tie the 2, 30cm macrame cords together in the center to create a moustache.
4. Use a Sullivan's hairbrush to brush the ends of the macrame cord.
5. Glue the center of the moustache to the top of the beard. Glue a wooden bead for the nose. Trim beard and moustache.
6. Glue raw edge of fabric. Glue the fabric to the nose of the gnome. Glue the raw edges at the back of the gnome. Fill with fairy floss, fill and tie with macrame string. Add a bead and a bell and tie off.
