BIG FUN Blanket

EASY KNIT

Create an impressive result with this Big Fun patchwork blanket pattern by simply knitting two-tone individual squares and joining them together. The squares are made with an intarsia knitting technique for colour changing, by twisting yarn threads over each other in the back of the knitting. This is the perfect home décor project as it can be knitted up in just a day or two with our Thicck & Chunky yarn, and big needles. Adapt the blanket size to your needs by adding or reducing the amount of squares to the width or length.
