EASY KNIT

This blanket is made up of 12 squares, made in a easy knit and purl pattern. It is reversible and you can adapt the size by adding more squares to the width or the length. Each square uses up approximately 1 ball of wool. Tassels are added to the corners to add a nice finish.

Please be aware that there are different terms for crocheting and knitting in American and British English, if in doubt, we've included a list of common abbreviations.

Please use only the yarn specified. Another yarn is likely to yield different results. Quantities are approximate as knitting styles may vary between knitters. Check the ball bands to ensure all yarn is from the same dye lot.

Cast off; kcast-off k sts, pcast-off p sts. Leave a long thread at the end for sewing the squares together later.

## **FINISHING**

Line 3 squares horizontally, and 4 squares vertically as per the diagram on page 2.

Sew together using wool needle.

## **TASSELS**

Cut x21 of 60cm threads of Hygge Twist Yarn.

Group 20 threads together and fold them at the centre/

Thread the 21st thread through a corner of the blanket and use this thread to tie a tight knot at the centre of the tassell threads.

Pinch the threads together, so there are now 40 strands.

Wind that cord about 4cm below the threads to make a tassel neck.

Wrap tightly around the tassell and make a knot.
