#P382 Flower Patchwork Blanket

INTERMEDIATE CROCHET

This colourplay crochet flowerpatch blanket is the perfect project to take on-the-go. A cheerful accent in any living space, each square flower patch is made with 4 colours, which you can either follow from our colour chart, or you can mix and match your own from our wide and modern colour range of Organic Cotton yarn. The squares are joined using a crochet zig-zag chain method that adds a gorgeous lacy edge. You can adjust the size by adding more squares.
