HANGING LOOPS AND FINISHING

**K2

Slide sts off right hand needle with right side facing onto left needle and draw thread towards start of the row.

Repeat *** to *** 8 times.

To make the loop join to the first **2 sts at the start of loop by picking up each stitch and knit tog with stitch on the needle, then cast off st so you have 1 st left.

Draw thread through last st leaving a long enough thread to sew a close up seam on the side of the ball to halfway.

Feed a handful of fairyfloss to fill the ball.

Change the thread colour to match and continue the seam until closed.

Darn in threads to neaten.
