

#D018

Easter Egg Suncatcher

Easy

DIFFICULTY

Easy - Approx. 1 hour plus drying time

MATERIALS

- Plastic Pocket
- PVA Glue
- Black Paint
- Makr Water colour paints

EQUIPMENTS

- Template
- Scissors
- Paint brushes
- Paint pallet

STEPS

1. Insert template inside plastic pocket.
2. Mix black paint with PVA glue. Outline the template using the black PVA glue and allow to completely dry.
3. Cut out the plastic egg.
4. Paint the egg using different colours.
