LED WALL PACK FIXTURE

COMMERCIAL GRADE

PRODUCT OVERVIEW:

The luxoARCH LED classic wall pack follows the design traits of the classic metal halide or high-pressure sodium. Engineered to protect against vandalism and even bad weather, these fixtures may be paired with photocells to optimize performance.

Featuring shatter-resistant polycarbonate or glass lens, tamper-proof die-cast aluminum housing and designed to weather extremes, the LWPF-series will exceed lighting demands for driveways, outdoor entry-ways and other general commercial areas.
