

Arlo Essential Spotlight Camera

Wire-Free Security

See the essential details

Arlo Essential captures video in 1080p resolution, with an integrated spotlight and color night vision. Wire-free and weather resistant, Arlo Essential works indoors or out. Set it up yourself in just a few easy steps and clearly see who's there, even at night. Get notifications on your smartphone when your camera spots people, vehicles, animals or packages, and view recorded video clips directly from your phone, with an included trial of Arlo Smart*. Speak to visitors with clear, two-way audio. Easily recharge your camera using the included power cable (battery not removeable).

Capture clear details in full high definition.

Receive alerts when motion is detected.

See in color at night with integrated spotlight.

Designed to withstand heat, cold, rain or sun.

Clearly hear and speak with visitors.

Easily charge your camera.

Quickly install camera yourself.

Use the built-in siren to deter unwanted guests.

*Arlo Smart includes cloud recordings of video clips for 30 days. Renewal of an Arlo Smart subscription is required to maintain Arlo Smart features, including cloud storage.
