USER MANUAL

Introduction

Welcome to the Wings True Wireless Generation with the all new Wings Phantom 500. We hope you are as excited as us to feel and flaunt your latest soundwear.

But before you dive right in, we strongly recommend going through this user manual thoroughly as it contains important technical information to ensure you have a seamless audio experience with us. Once you are done reading the manual, we are sure you will be all set to

FEEL IT! FLAUNT IT!

②

What's In The Box

- 2x Bluetooth Earphones
- 1x User Manual
- 1x Portable Charging Case
- 1x Type-C Charging Cable
- 6x Ear Cushions

③

How To Pair

Step 1: Make sure your charging case is charged up. Simply open the lid of the charging case and earbuds will power ON and enter pairing mode. The cool blue light of one of the earbuds will be flashing blue. This indicates that the earbuds are ready to pair with your device.

Step 2: Tap "Wings Phantom 500" from the smartphone's Bluetooth menu. There's a voice prompt after successful connection. This will indicate that earbuds are successfully connected with your device and are ready to use.

Step 3: Congratulations! You are now connected and can start playing media.

Note : In case you do not connect to any device within 5 minutes of entering pairing mode, then both earbuds will be automatically power off. Please put the earbuds back into the case and repeat the process to pair.

④

Touch Controls Usage

Play/Pause: Double touch the sensor on one earbud to pause music. Double touch on again on any one earbuds to resume playing music.

Changing Songs: Triple tap right earbuds to go to the next song and triple tap on left earbuds for to go to previous song.

Reject Incoming Call: Long press for 2 second on left or right earbuds to reject the incoming call.

⑤

Charging The Case

Note: Please only use a 5V adapter to charge the case as higher voltage adapters can destroy the battery of case and earbuds.

Please connect the charging case with charging adapter via usb Type-C cable, which is included in the packaging to charge the case

The Cool blue LED on charging case will began to flash; this indicates that the case is charging. Once the case is completely charged, the Lights will turn OFF.

Charging The Earbuds

Earphones Low Battery: When the charging on earphones is low, you will hear a low battery voice prompt. The Cool blue lights on the earbuds will flash after every 5 seconds.

Charging Earphones: Place the earphones inside the case to charge them, the blue light on earphones will turn ON indicating that the earphones are charging.

Earphones completely charge: When the earphones are completely charged, the Blue light on the earphones will turn OFF.

⑥

Resetting The Device

Please follow the below steps when you see 2 "Wings Phantom 500" in your bluetooth device menu on your mobile or you can hear music through only 1 earbud. This means the left and right earbuds have not autopaired with each other:

Step 1: Disconnect the earbuds and remove "Wings Phantom 500" from the list of paired devices on your mobile.

Step 2: Touch the sensor on either of the earbuds for 5 times quickly to clear the pairing data, and then turn it OFF

Step 3: Put them back into charge case, and the "Wings Phantom 500" ready to use on auto ON & auto pairing.

Reset process is now complete and you will be able to hear music through both earbuds.

⑦

Technical Specifications
