3. Game Mode Switch
4. "-" key
5. Charging interface TYPE-C USB
6. Play/pause multi-function key
7. "+" key
8. Microphone

How To Pair

- Step 1: Keep the distance between the earphone and mobile phone (or other devices that needs to be connected) within 1 meter. The closer, the better.
- Step 2: Press and hold the Multifunction button for 5 sec A voice prompt will confirm that the neckband is ON and has entered the pairing mode. The Bluetooth indicator light will also flash indicating the same.
- Step 3: Initiate Bluetooth function of mobile phone (or other device that needs to be connected). Then earphone-pairing name "Phantom 1100" will appear on your phone.
- Step 4: Select "Phantom 1100" and the earphone will automatically connect with your mobile phone.
- Step 5: Switch on the Bluetooth search function in your mobile phone or other devices need to be connected. Then the earphone will automatically reconnect with the mobile phone which has connected last time.

NOTE: Generally, there are 120 seconds at maximum to pair earphone with your mobile phone, or the Bluetooth Pairing mode will stop when the lights go out. Please retry steps 1 to 4 to pair again if your operation doesn't work.

Button Control Usage

- Power ON:** Press and hold the Multifunction button for 5 sec A voice prompt will confirm that the neckband is ON and has entered the pairing mode.
- Play/Pause the music:** Single press the multifunction button to play/pause the music.
- Volume Up/Down:** Press the "+" button to turn volume up. Press the "-" button to turn volume down.
- Music Skip:** Press and hold "+" button to skip to next track. Press and hold "-" button to skip to previous track.
- Dual Pairing:** To connect "Phantom 1100" to two devices simultaneously please go through the below steps.
Step1: connect the earphone to one of the devices. Then switch both the earphone and the device off.
Step2: Now connect the earphone to the second device, and again switch the first device on. The earphone will get connected to both devices. If not then, connect the first device manually once again to activate dual pairing.
- Voice Assistant:** Press and hold multifunction button for 2 sec to activate voice assistant.
- Game Mode:** Press Mode button once to switch to gaming mode. A voice prompt will confirm the same. Press the mode button again to switch to music mode.

Call Control

- Answer incoming call:** When there is an incoming call, the earphone will issue a voice message, press the Multifunction button once to answer the call, or use your mobile phone to answer it.
- Reject a call:** When there is an incoming call, the earphone will issue a voice message, long press the Multifunction button for 2 sec to reject the call, or use your mobile phone to reject the call
