WINGS

URBANA

Smartwatch

USER MANUAL

INTRODUCTION

Wings is India's fastest growing audio, smart watches and accessories brand catering to the young who are recognised as the most **Prestigious Rising Brand Of Asia 2021-2022** by **BARC Asia** in the gaming lifestyle accessories category.

Wings is on a mission to create a pop culture brand that the youth is proud to own and **Nulech, a subsidiary of Nazara Technologies,** has a strategic investment in alignment with this ideology.

But before you dive right in, we strongly recommend going through this user manual thoroughly as it contains important technical information. It also gives you a seamless audio experience with us. After you're done with reading the manual, get ready to go to the next level with Wings !

Disclaimer: This product is an electronic monitoring product and not intended as a medical device. For the reason, it is right to modify or remove any of the functions described in this manual without any prior notice. At the same time, we hold the right to continuously update the product content.
