RINGS

Use the Autore Moda Ring Size Guide to determine your ring size or the ring size of a loved one. If the ring is a gift, use one of the recipient's rings to determine the measurement against the size guide. Please note that your right and left hand fingers may vary in size, so be sure to measure the finger you or the recipient would like to wear the ring on.

|← 50mm →|

Before measuring your ring size, ensure this guide is printed at 100% size on A4. You can check the accuracy of your printout by measuring the line above.

MEASURE YOUR EXISTING RING

1. Select an existing ring that properly fits the intended finger.

2. Place the ring over the closest matching circle.

3. Match the inside edge of the ring to the circle closest in size.

4. If the ring falls between two sizes, order the larger size ring.
