

Sage Surfaces, LLC (hereunder "Sage") warrants to the original end user – purchaser/owner or owner to whom this warranty has been appropriately transferred according to the Warranty Transfer Procedure in the U.S. and Canada that its product of allen + roth countertop products shall be free from manufacturing defects under normal use and service. This warranty applies to the repair or replacement of failed product that has been permanently installed in original owner(s) residence when installed by a Sage authorized fabricator/installer. This includes reasonable labor charges needed to repair or replace the product. All decisions regarding the existence of manufacturing defects or affecting this warranty shall be made by Sage and shall be final and binding upon all parties.
