## Radiant Panel Collection

# About WarmlyYours Heating

Frequently, we are asked how we chose the name of our company. When we began as an electric radiant heating products business over 20 years ago, we wanted a name that would embody the very essence of our business philosophy — treat our customers well and offer the very best floor-warming systems and services in the industry. And above all else, always deliver on those promises to our customers.

The name WarmlyYours reflects our deep, personal commitment to providing our customers with the exceptional customer service that they deserve. We welcome any questions and relish the opportunity to provide our customers with prompt and friendly assistance. Listening to feedback from thousands of homeowners and installers, we continue to improve on everything we do in our effort to better serve our customers. As a result, we have expanded our portfolio to include other radiant heating products — such as towel warmers and radiant panel heaters — to bring comfort and affordable luxury to all areas of the home.

WarmlyYours has locations in both the United States and Canada. Throughout North America, our customers recognize our commitment to exceptional service and product quality.

99% ★★★★★  
of our customers report complete satisfaction with our service

97% ★★★★★  
of our customers report complete confidence in our product quality

## 24/7 Installation Support

Call us any time — day or night, weekday or weekend — with any questions or installation challenges. Our technical support team is here to help. That's our commitment to our customers and their businesses.

## Same-Day Shipping

For US orders shipping via parcel, simply submit your order by these times and we will process your order and have it on its way by the end of the day:

4 PM Central Time for UPS and FedEx  
2 PM Central Time for Speedee  
12 PM Central Time for USPS  
9 AM Central Time for Freight

## Open Return Policy & No Restocking Fees

Our return policy is simple. If we still sell the product and it's in resalable condition, you may return it at any time — even years later. We do not have restocking fees for any of our products. We know that life does not always run according to an ideal schedule, and at WarmlyYours, you come first.

# Ember Glass White

Without taking up much wall space, this 2.9' by 2' Ember radiant panel can be mounted horizontally or vertically to any wall in a home to provide energy efficient infrared radiant heat. Our Ember Glass panels are solidly constructed and these feature an attractive white finish.

Unlike convection heating, this panel does not circulate dust or other allergens into the air. Plus, it can be multi-functional. Use the Ember radiant panel to heat up a room, or attach towel bars to a vertically mounted unit to create a unique, stylish towel warmer.

These panels are also dual connection, meaning they can be used "as is" to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- Comes with an attractive white finish and a 5-year warranty
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

Accessories	Towel Bars
Warranty	5 Years
Optional Controls	<ul style="list-style-type: none"><li>• Hardwired Radiant Heating Thermostats</li><li>• Hardwired 4-Setting Countdown Timer</li><li>• Hardwired Programmable Timer</li><li>• Hardwired WiFi Switch</li></ul>

# Ember Glass Black

Without taking up much wall space, this 2.9' by 2' Ember radiant panel can be mounted horizontally or vertically to any wall in a home to provide energy efficient infrared radiant heat. Our Ember Glass panels are solidly constructed and these feature an attractive black finish.

Unlike convection heating, this panel does not circulate dust or other allergens into the air. Plus, it can be multi-functional. Use the Ember radiant panel to heat up a room, or attach towel bars to a vertically mounted unit to create a unique, stylish towel warmer.

These panels are also dual connection, meaning they can be used "as is" to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- Comes with an attractive black finish and a 5-year warranty
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

# Ember Mirror

Ember Mirror panels are ideal for bathrooms, because they can effectively replace a traditional mirror and also function as a mirror defogger as they radiate warmth throughout the room.

The panels can be installed to a wall vertically or horizontally and are dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

Towel bars are also available as accessories for vertically mounted panels. Ember Mirror panels come with an industry-leading 5-year warranty.

- Functions as a mirror, mirror defogger, heating element, and (with accessory) towel warmer
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

# Ember Flex

Our Ember Flex radiant panel heaters offer an aesthetically pleasing and energy efficient alternative to unattractive, inefficient and potentially dangerous traditional space heaters.

These white panels, which come with a 5-year warranty and integrated frame, are also dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

Additionally, 2 of these lightweight radiant heating panels (IPEM-FLX-WHT0500-CW and IP-EM-FLX-WHT-0700-CW) can be suspended from the ceiling to radiate heat from directly overhead. These panels also come with everything needed to mount them to the ceiling.

- Can be mounted horizontally or vertically on your wall
- The 47 in. x 24 in. and 35 in. x 24 in. panels can be suspended from your ceiling
- Applicable accessories include towel bar\* and stand attachments

\*Excludes IP-EM-FLX-WHT-0300-W

Dual Connection

SKU	Size	Finish	MSRP

# Ember Accessories

## Ember Flex Stand

These 2 secure and low-profile stand attachments will allow you to stand up your plug-in Ember Flex radiant heating panel with the longest dimension horizontal. This is great for offices or for areas where it's not practical to attach a heating panel to the wall or ceiling.

This accessory is compatible with all Ember Flex radiant panels. It does not work with Ember Glass or Ember Mirror radiant panels.

- Compatible with all Ember Flex radiant panels
- Can stand horizontally

SKU	Weight	Finish	MSRP
IP-EM-ACC-STND	1 Pound	White	\$49

## Ember 24" Towel Holder Bar

Up to two towel bars can be installed per Ember radiant panel. To keep installation simple, the towel bars can be quickly and easily attached to holes located on the backside of the vertically mounted panel.

For 47" x 24" models the 2 mounting points are 16 3/4" from top and bottom of the panel. For 35" x 24" models, the 2 mounting points are 9" from the bottom and top of the panel.

- This accessory works with all Ember radiant heating panels excluding the 35" x 12" Ember Flex Panel

SKU	Weight	Finish	MSRP
IP-EM-ACC-BAR	1.5 Pound	Anodized, Rustproof Aluminum	\$59

# Modifying Ember Dual Connect

Ember Glass and Flex panels are dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- We strongly recommend that these conversions be completed by a licensed electrician
- Below you can see, step-by-step, how the electrical connection for a panel is converted from plug-in to hardwired

## Converting Ember Dual Connect Electrical Cords for 120 VAC Hardwire Connection

# Hardwired Controls

We're here to help you choose the best control for your towel warmer or radiant panel heater. If you have any questions, speak to a radiant heating expert at [WarmlyYours.com/contact](https://www.WarmlyYours.com/contact) or call us at 800-875-5285.

# Comfort Products

## Showroom Display Program

Let your customers feel the warmth  
and comfort for themselves

50% OFF MSRP  
rebated with your  
first order\*

Order one for your  
showroom today!

First order can be of any  
WarmlyYours products.  
Ground shipping not included.  
Standard rates will apply.

### Features/Benefits:

- Add incremental sales to your business with WarmlyYours radiant products collection
- Generate interest for new and existing customers
- Many models and sizes available to best suit your showroom design

\* Offer is valid for one display per showroom. It cannot be combined with any other promotion. 50% of the item's price will need to be paid at the time of the order, which will be rebated on your first purchase after the showroom sale. Other restrictions may apply.

Be Connected.  
Be Warm. Be Radiant.
