Printable ring sizing guide

This guide is aimed to help you determine your ring size based on your existing ring you feel comfortable with

Step 1
Print this document out at 100% scale on A4 paper. When printed, check the measures below—it should measure exactly 10 mm or 1 inch.

Step 2
Place your ring band on the chart below and match the inside edge of the ring to the nearest size circle.

Step 3
The number in the circle that best fits your ring is your ring size in EU. If it falls somewhere in between two sizes then you should opt for the larger size.
