**Magazine »Automobil Industrie China« (AI)**

*The leading trade journal of the automotive industry in China.* AI China is the Chinese edition of Automobil Industrie. It is produced in China, for China, with content from China. Ongoing reports on all important submarkets cover the entire value chain of the automotive industry. From development, design, production, and logistics to management and economic issues – including next mobility and AV/EV topics. With AI China you reach the key decision-makers across the entire value-added chain. With a reader base of over 100,000, the right recipients are defined for each issue by the principle of “topic-oriented alternating distribution”.

**Target Group**
Automotive manufacturers, suppliers, outfitters, and service providers are at the decision-making level.

**CIRCULATION**
- 26,500 copies per issue
- 42,800 digital magazine

**Research & Development**
Internationally advanced design technologies for vehicles and components as well as practical applications and the development trend of components. Special attention is paid to the application and development of vehicle electronics.

**Auto Production**
From development, design, production, and logistics to management and economics issues. Readers include automotive manufacturers, suppliers, outfitters, and service providers at the decision-making level.

**FREQUENCY**
- Every 8 weeks

For the Editorial Calendar see page 5.

**Reader Title**
- Production technical manager 46 %
- CEO 29 %
- Purchasing manager 12 %
- Engineering manager 10 %
- Others 3 %

**Targeted Readership Analysis**
- Suppliers 49 %
- OEMs 45 %
- Institutes, universities 6 %

**Distribution by Company Size**
- 1-50 employees 3 %
- 51-100 employees 5 %
- 101-200 employees 8 %
- 201-500 employees 17 %
- 501-1,000 employees 32 %
- >1,000 employees 28 %
- not reported 7 %

**WeChat Sponsored Posts**

WeChat is China’s multi-purpose messaging, social media, and mobile payment app developed by Tencent. WeChat is the all-in-one app and natural part of everyday communication in China, not only within a private context but also in interaction with businesses. For the editorial team of AI China, this channel to their specialist readers is indispensable.

Use this important platform for your marketing and present your company with Sponsored Posts.
