“Really pleased with these products”

“nothing like your products!”

-Tried the product on my caramel Pekingese - gave him a shimmering golden halo the super conditioning shampoo - and the ShihTzu who is palest grey and charcoal - with your blue shampoo her whitish grey fur was shimmering white. All the shampoos, all the years, **nothing like your products!** And the conditioner, Peke has silky but long fur and ShihTzu puppy cut BOTH de-tangled and came out shining. LOVE the product!
