Highlights

18 beverages

Enjoy an unparalleled variety of drinks to suit any occasion. Whether you crave for an espresso, a coffee or a milk based recipe, your Super-automatic machine delivers a perfect in-cup result with no hassle and in no time!

Integrated milk carafe

Enjoy super creamy cappuccino and Latte Macchiato at the perfect temperature, in the easiest way possible. Simply pour milk into the carafe, plug it into the machine, and select your preferred beverage. Whether it's a cappuccino or frothed milk, your drink will be served within seconds, with a splash-free flow at the ideal temperature.

Customize your coffees

This Super-Automatic machine offers an abundance of indulgent options to customize your beverage to your taste. You can easily personalize and memorize length, strength and temperature for each drink. Feel free to explore, experiment and dream up any drink!

User Profiles

Store your personal coffee settings in the easily accessible personal user profiles. You will be able to drink espresso, coffee, cappuccino and

all other drinks always as you prefer, at the touch of a button.

100% ceramic grinders

Ceramic material ensures long-lasting performance and silent operation while not deteriorating. This means your coffee will be always ground like the first time, delivering the best of your beans for more than 15.000 cups.

Latte Perfetto Technology

Every coffee you prepare will be topped with a silky, milk layer that beckons the taste buds. The milk carafe froths the milk twice, then pours a splash free creamy layer into your cup at just the right temperature. The carafe can also be stored conveniently in the fridge and it is incredibly hygienic.

VariPresso Technology

The Saeco GranBaristo offers an unparalleled variety of drinks to suit any occasion thanks to the patented VariPresso brewing chamber. The secret is in the adjustable brewing pressure; set it on high for an intense, rich espresso, or lower the pressure for a long, classic coffee.

Stainless steel finishing

Every minute detail of this machine was designed and crafted to the highest quality. The stainless steel finishing, inspired by Italian design and craftsmanship will stand the test of time in any classic or modern kitchen. An elegant vision of pure design, your machine will look as refined as the coffee it makes.

Avanti App

The Saeco Avanti App offers you our most advanced Espresso coffee experience. It provides you access to a world of indulgent Variety of coffee specialties customized exactly to your taste. You can easily personalize and memorize strength, length, temperature and taste for each drink. Explore, experiment and dream up any number of delectable drinks from the comfort of your chair, and store an endless number of drinks in your App.
