FRAMED MIRROR

600 x 1200MM

Features

- 5mm thick glass mirror
- Aluminium frame – select from powder-coated matte black or anodised urban brass finishes
- Can be mounted vertically or horizontally
- Copper-free – reduces corrosion and is better for the environment
- Rust-resistant
- Includes wall mounting screws and plugs

Available in

Matte Black
FMP60120B

Urban Brass
FMP60120UB

Cleaning & Care

Glass Mirror:

For best results, clean mirrors with a combination of 30% methylated spirits to 70% water and a soft, non-abrasive cloth designed for use on glass surfaces.

Frame:

- Regularly clean with mild soapy water using a microfibre cloth.
- In highly polluted or coastal locations, we recommend cleaning 2-3 times per week.
- Do not use harsh detergents, bleach, cream cleaners or citrus based cleaners. These substances are abrasive and will damage the surface.
- Do not use undue pressure and wipe in one direction only.

While we aim to ensure specifications are correct at the time of publication, Fienza reserves the right to make modifications without prior notice. Physical colour may vary from image shown. All measurements are shown in millimetres. Always use physical product measurements for mark-ups and roughing-in as the technical drawing may differ from actual product received.
