The wine experience you've been waiting for...

## Uncorked:

Domaine Rogot Burgundy hails from the Cuvry region of Burgundy, the Rogot family has been making wine since 1760 and have been creating wine at their Cuvry estate since the mid 1800's. Through a practice of combining old techniques and modernization this estate makes some incredible wine at a great price. The Rogot Burgundy is a glorious Pinot Noir with a powerful ruby color, the nose is soft and fine with hints of forest fruit, earth and spice. The palate reveals black currant and blackberry flavors with mushroom and earthen tones thru the mid-palate, the finish is long with good tannic structure, bright acidity and spice. This wine pairs well with roasted poultry, grilled red meats and goat cheese. Be sure to stop into the store on Saturday November 11th to try this great wine and others that pair well for your Thanksgiving feast, there will be turkey and all the fixings to have as well.

## Spirit Corner:

Springbrook Farm Distillery is nestled in the foothills of the Adirondack Mountains on 200 acres of land with fantastic views. They create all their handcrafted spirits using all N.Y. state grains and the pure unfiltered water of Springbrook Hollow, this gives all their spirits a unique distinctive flavor of utmost quality. Here at VINOVIN we carry their Adirondack High Rye Bourbon, Apple Shine, Maple Shine, Pure Rye Whiskey, Two Sisters Vodka and Sly Fox Gin. The bourbon and gin are two of my personal favorites, however all of their products are delicious and pure. We will be doing a spirits tasting of all these great products on Friday November 17th, be sure to stop in and try them. I'm sure you will leave with a bottle or two to put out on Thanksgiving day for all your friends and family to try.

## The Old and the New:

The Pinot Noir grape is used to produce Burgundy in France and Pinot Noir in California. It is the same grape but they taste so different. The climate, terrain and the people are the difference, only the grapes are the same, but those produced in Willamette valley Oregon tend to be made more in line with a Burgundy. Try all 3 and taste the differences.
