

Velocity PRO Multi-Purpose Ladder

[Representative image of product]

Product Description

Stand out from the crowd with the all-new Velocity Series 2.0 PRO. A PRO ladder with a superior anodised finish makes you stand out as much as the finish on the jobs you do. No compromise. Choose a Little Giant Velocity PRO today. From framing a house to hanging drywall, the Velocity PRO will help you finish your to-do list. The PRO is built on the same chassis as the all-new Velocity Series 2.0 Ladder, fitted with wider legs compliant to the latest Ladder Standards. Easy to use. The Velocity PRO is a lightweight, multi-position ladder with added features to make setting up and down simpler. To adjust the ladder's height, simply push in the Rock Lock's adjusters and move the inner section to the size you need. When you need to move the ladder from place to place, tip the ladder on its wheels and roll it with the Tip & Glide wheels. Multi-position Ladder. The Velocity PRO is the ladder that helps you complete your tasks easily. Set up the ladder in different configurations that suit the project at hand, like A-frame, extension, staircase, 90-degree or trestle-and-plank* scaffolding. It's fast and easy.

Features

- Superior anodised black finish for a premium look and feel
- The Velocity PRO is a lightweight, multi-position ladder, which is easy to use and move around
- Rock Locks make it easy to extend the ladder to the desired height
- Multi-position Ladder, A-frame, extension, staircase, 90-degree or optional trestle-and-plank scaffolding is fast and easy
- Meeting or exceeding all EN131-4:2020 standards, the Velocity PRO is rated to 150kg work load capacity
