### Product Description

Adjustable work platform, 150kg capacity, accessory for the Little Giant Conquest range of multi-purpose ladders. Simply adjust the side arms to ensure that the platform is level before use. The platform has approximately 20mm of adjustment to suit rung spaces of 280 or 300mm. The dimensions of the platform are: 290 x 280 x 75mm (L x W x D)

### Features

- Sliding arms enable precise levelling
- Bright orange top tread for increased visibility
- Buy one and use across a range of ladders
- Is backward compatible with previous versions of Little Giant multi-purpose ladders
