INSTRUCTIONS FOR USE AND CARE.

DIRECTIONS FOR USE

DO NOT DILUTE. Liberally spray onto dirt-free hands, skin or other surfaces to be sanitised. No need to wait, wipe or rinse – safe to swallow.

Once opened, use within 3 months.

WARNING

- Store out of direct sunlight below 25°C, or in the refrigerator
- Do not mix with other products
- Do not transfer the contents into other containers
- Although safe to swallow, do not substitute for drinking water
- The natural acid can corrode aluminium and aluminium alloy surfaces
- Do not use as a medicine

Ingredients: Water (Aqua), Hypochlorous Acid.

Best before: See base of bottle.

Made in the United Kingdom
