IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY BEFORE USE.

For your baby's safety and health WARNING!

- Always use this product under adult supervision.
- Before first use, inspect the product. Throw away at the first sign of damage or weakness.
- Keep all components not in use out of the reach of children.
- Always check the food temperature before feeding.
- Always stir heated food and check the temperature before serving.
- *Do not microwave for more than 60 seconds at a time or with oil rich foods, as this may damage the products. To avoid surface damage, do not use sharp utensils on/with this product. Some foods will stain this product. Food colours in the dishwasher may discolour the product.

Wash the product thoroughly in hot, soapy water or in the top rack of a dishwasher before first use and after each use. Dishwasher safe (max.65°C). Scoop™ feeding bowls are suitable for all approved sterilisation methods and use in a microwave oven*. Start weaning spoons are not suitable for use in the microwave or steam sterilising. Do not use abrasive or solvent based cleaning agents as this may cause damage. Store in a dry, covered container, out of direct sunlight when not in use. Some foods will stain this product. Do not use in an oven or grill.

This product conforms to
BS EN 14372 standards.
