HYDRATE™
free flow cup

**BPA
FREE**

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY BEFORE USE.

For your baby's safety and health WARNING!

- Always use this product under adult supervision.
- Before first use, inspect the product. Throw away at the first sign of damage or weakness.
- Keep all components not in use out of the reach of children.
- Continuous and prolonged sucking of fluids will cause tooth decay – Tooth decay in young children can occur even when non sweetened fluids are used. This can occur if baby is allowed to use the cup for long periods through the day and particularly through the night, when saliva flow is reduced or if it is used as a soother.
- Always check the food temperature before feeding.

Wash the product thoroughly in hot, soapy water or in the top rack of a dishwasher before first use and after each use. Top rack dishwasher safe (max.65°C). Suitable for all approved sterilisation methods and use in a microwave oven. Do not use abrasive or solvent based cleaning agents as this may cause damage. Store in a dry, covered container, out of direct sunlight when not in use. Some foods will stain this product. Food colours in the dishwasher may discolour the product. Do not use in an oven or grill.

This product conforms to
BS EN 14350 standards.
