About us

Forma&Cemento was founded in 2014 by partners with a background in architecture, engineering, yacht building and concrete manufacturing. Our **mission** is to design and manufacture products in concrete in such a way that the material, traditionally considered poor by comparison will, through skilled craftsmanship, become prized among the choicest marbles and the most sought after woods.

The product range includes furniture and furnishings for both indoor and outdoor spaces. The material itself and the artisanal craftsmanship of each piece make every item unique. Customers can further personalise their item by selecting amongst a wide variety of colours, or even by customising and creating their own piece.

Forma&Cemento creates **luxury products** easily recognisable by the exclusive treatment of the material and the passionate quest for lightness and style. Artisanal handicraft, the use of modern materials and innovative techniques, together with a production completely "Made in Italy", further enhances the prestige of Italian design.

The Italian excellence of concrete craftsmanship

Euclide Dining Table

Euclide Collection

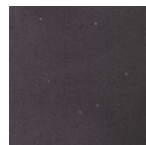

Designer

Dimension W200 cm x D100 cm x H76 cm
W250 cm x D120 cm x H76 cm

Production Time From 8 to 10 weeks

Description *Euclide* is a sculptural dining table that brings to mind the architectural style of the beginning of the last century, fitting perfectly in any environment. Elementary, functional, customisable.

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

Giorgione Dining Table

Euclide Collection

Designer **Giorgio La Corte**

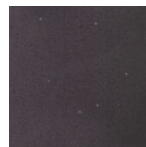

Dimension **W200 cm x D100 cm x H76 cm**
W250 cm x D120 cm x H76 cm

Production Time **From 7 to 8 weeks**

Description *Giorgione* is a sculptural dining table that brings to mind the architectural style of the beginning of the last century, fitting perfectly in any environment.

Both the table top and the symmetrical legs are made of concrete cast over a metal composite structure to ensure strength and lightness.

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

50 MM Dining Table

Euclide Collection

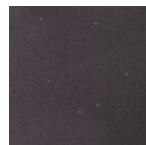

Designer **Giorgio La Corte**

Dimension **W160 cm x D80 cm x H75cm**
W140 cm x D140 cm x H75cm
W200 cm x D100 cm x H75cm

Production Time **From 7 to 8 weeks**

Description **50 MM** is a family of dining tables with essential lines, the archetype of table. This piece is made by a single cast of fibre-reinforced concrete that envelops both table top and legs over a 50mm metal structure, making this table unique and apparently extremely light. It's also available with detachable legs.

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

Atlante Dining Table
Euclide Collection

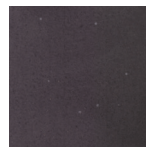

Designer **Gabriele De Chirico**

Dimension **Ø150 cm x H73 cm**

Production Time **From 7 to 8 weeks**

Description **It's a round dining table with essential lines and a strong inspiration. Matching a simple round top to a pair of different legs, Atlante combines perfectly the sturdiness of the material to the lightness of its design.**

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

Tadao Console Table
Euclide Collection

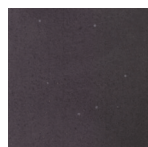

Designer **Gaia Rebecchini, Laura Mochi,**
Lorenzo Rebecchini

Dimension **W120 cm x D30 cm x H80 cm**

Production Time **From 5 to 6 weeks**

Description The *Tadao Line*, created in homage to the famous architect with whom we share a minimalist approach and the creative use of the material, is the perfect synthesis of our philosophy: our study of the structure transforms the material into a stylistic symbol free from its physical weight and perceptions.

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

Tadao LOW Console Table
Euclide Collection

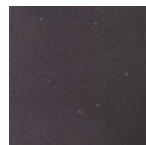

Designer **Gaia Rebecchini, Laura Mochi,**
Lorenzo Rebecchini

Dimension **W120 cm x D25 cm x H44 cm**
W80 cm x D25 cm x H44 cm

Production Time **From 5 to 6 weeks**

Description The *Tadao Line*, created in homage to the famous architect with whom we share a minimalist approach and the creative use of the material, is the perfect synthesis of our philosophy: our study of the structure transforms the material into a stylistic symbol free from its physical weight and perceptions.

Colours

Ardesia

White

N.B. The product is customizable in color and size.

Laoban Dining Table
Euclide Collection

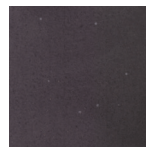

Designer **Guido Raffaelli**

Dimension **Ø200cm x H73 cm**

Production Time **From 7 to 8 weeks**

Description It's a dining table which takes inspiration from the Asian aesthetic. Strongly inspired, in the circular shape and in the aesthetic details it embodies, by the Eastern tradition of "sitting at the table", it also underlines its inspiration in its name which in Mandarin means "master" precisely to underline its role as guardian of the solid values of inhabiting.

Colours

Ardesia

Silver

N.B. The product is customizable in color and size.

Varco Stool **Euclide** Collection

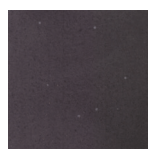

Designer **Ernesto Messineo**

Dimension **W43 cm x D35 cm x H45 cm**

Production Time **From 8 to 12 weeks**

Description It's the a new addition to the Euclide Collection. Two identical hollow pieces joined together through a slight contact. The "cut" is brought to the limit of the visible giving the perception of instability. The light that enters inside amplifies the effect.

Colours

Ardesia

Silver

White

N.B. The product is customizable in colour.

Puck Coffee Table
Euclide Collection

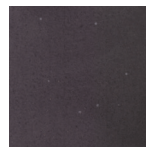

Designer **Gabriele De Chirico**

Dimension **Ø90 cm x H36 cm**

Production Time **From 6 to 8 weeks**

Description **Elegance and simplicity blend perfectly together in this concrete coffee table. The perfect solution for any gathering area and suitable for both indoor and outdoor usage. The Puck Coffee Table with its versatile and timeless design will add sophistication to your contemporary environment.**

Colours

Ardesia

Silver

White

N.B. The product is customizable in color and size.

Dumbo Coffee Table **Euclide** Collection

Designer **Valerio Ciampicacigli**

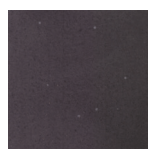

Dimension **Ø60 cm x H33 cm**

Production Time **From 6 to 8 weeks**

Description *Dumbo* is the perfect synthesis of two materials, concrete and metal. This peculiar coffee/side table available in two versions, will stand out in any room, garden, terrace they are placed in.

The legs are empty for lightness and made by a single cast of concrete. The table top is a laser cut sheet of metal made out of brass, inox steel, or iron.

Vetta Coffee Table

Euclide Collection

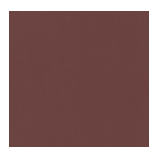

Designer **Alessandro Gorla, Studio Algoritmo**

Dimension **W90 cm x D45 cm x H60 cm**

Production Time **From 5 to 6 weeks**

Description The Vetta coffee table evokes mystical and metaphysical inspirations associated with reaching the peak. Its formal simplicity, composed of a simple solid (cone) intersected by a plane, conjures abstract mountain landscapes. The conical body, crafted through the casting of fresh concrete, symbolizes the challenge and journey towards the summit.
