Pacesetter Hoodie

High-Quality Apparel with a Mission

Storm Creek is proud to announce that our Pacesetter Hoodie has been selected for inclusion in ASI's Editor's Picks for Sleek Athletic & Performance Apparel.

Designed with the active lifestyle in mind, this recognition reaffirms our commitment to providing high-quality, practical, and versatile garments.

Pacesetter Hoodie

The Pacesetter Hoodie (style 2375) is crafted from luxuriously soft, high-stretch 90% recycled polyester and 10% spandex sueded jersey, offering both comfort and performance. With UPF 30+ sun protection, wearers can confidently embrace outdoor activities while staying protected. Notably, each hoodie is made from the equivalent of up to 21 recycled plastic bottles.

In addition to the ladies' style (2375), we also offer a men's companion style (2370), ensuring inclusivity and versatility for all wearers.

“ We are thrilled to have our **Pacesetter Hoodie** recognized by ASI's Editor's Picks. This accolade underscores our **commitment** to providing **innovative, eco-conscious apparel** solutions for our customers. ”
