BEST WEEKEND EVER

We're all about riding bikes, building community, bringing stoke to the sport. Last year's event was off the hook - bike clubs, pros, families and friends alike spent the weekend at Legacy. DJ'S ROCKED THE HOUSE FOR 10+ HOURS OF MUSIC! We're planning on five rider categories:

U14 - FRIDAY EVENING

U19 - SAT AM

Men's Open - SAT AFTERNOON

Women's Open - SAT AFTERNOON

PRO - SAT AFTERNOON/EVENING

The different levels are structured to encourage all riders to compete and feel like they belong. Any person can enter PRO category and go for the big cash prize. Expect a great showcase of riders of all ages just having fun and riding bikes.

Our Pro, Womens, Mens and U19 categories will compete on the Jammer Lane portion of Onyx. There are a 5 feature options that will be judged. Each rider will will get two runs to show the judges the sickest tricks they've got, with only their best run score to earn the purse. U14 to compete separately on Friday night to showcase younger riders. Small cash purse, but lots of prizes.
