The Laundry Instructions

Before use

Scan QR for tutorials

Wash all absorbent products 3 times repeatedly without detergent or drying

Use a non eco powder detergent for coloured laundry without bleach

Laundry routine

Dispose the used liner

Fasten all velcro (to avoid damaging other fabrics)

Open laundry bag and place bag and contents into machine

Pre-wash short (15-30min) in cold cycle

Add other household laundry and wash full cycle at 40°-60°

Line dry waterresistant fabrics. Tumble dry absorbent fabrics on low heat

Do's

Apply detergent "heavily soiled" instructions to all washes

Manage stains in absorbent fabric (Booster and Nighttime) by laying in the sun

Use a liner when applying creams or oils to baby's skin

Don'ts

Don't use fabric softeners

Don't overload machine

Don't soak

Don't use stain removers

Don't use machine eco-settings

Don't dry waterresistant fabrics in dryer or sun, or on radiators or heaters
