Laundry routine

1_  Wash and reuse or dispose of the used liner

2_  Fasten all velcro (to avoid damaging other fabrics)

3_  Open laundry bag and place bag with contents into machine

4_  Pre-wash short (15-30min) on cold cycle with little detergent

5_  Add other household laundry and wash full cycle at 40°-60°

6_  Detergent amount full wash always for 'heavily soiled' laundry

7_  Line dry water-resistant fabrics. Tumble dry absorbent fabrics on low heat

8_  Manage stains in absorbent fabric by laying wet in the direct sun
