Pairing

When using it for the first time (or not using it for a long time), please make sure to charge the earbuds and charging box before use.

- Open the charging case and take out the earbuds, the earbuds will turn on automatically and enter into the pairing mode.

- Turn on the Bluetooth of your phone and search for the Bluetooth name "Boult Audio TrueBuds" to pair.

※ **Tips:**
1. When the earbuds are ready to pair with your Bluetooth device the indicator lights on the left earbud flashes in red and blue alternately, while the right earbud flashes slowly.
2. The blue indicator light of the earbuds flashes slowly and is connected to the phone.
3. When you use the earbuds again, just take out two earbuds from the charging case simultaneously and they will be automatically connected with Bluetooth device. (the last connected device)
4. Left and right earbuds can be used separately.
