Charging Cable  
Warranty Card

## Product specification

Product Name – Bluetooth Headset

Model – Boult Audio ProBass

Bluetooth Version – V5.2

Speaker – 10mm

Bluetooth Range – ~10m/33ft (without any obstacles)

Neckband Charging Time – 45 mins

Frequency Range – 20Hz – 20KHz

Technology – HFP/HSP/A2Dp/AVRCP

Input – DC5V = 1A

## How to connect your neckband

- (i) Turn on the Bluetooth function on your phone.
- (ii) Switch on your neckband; it will enter the pairing mode automatically. Red and blue indicator lights will start flashing alternatively with the voice “Pairing”
- (iii) In your phone, select the Bluetooth name “Boult Audio ProBass” for connecting.
- (iv) When the pairing is successful, you will hear the voice “Connected”.

## Dual Connectivity

- Connect the RCharge with your first device. Once your RCharge is paired with the first device, turn off the Bluetooth of your first device.
- Now turn on the Bluetooth of your second device and follow the same steps to connect to your RCharge Bluetooth neckband.
- Once RCharge is connected to your new device, turn on the Bluetooth of the first device.
- You will hear a sound again “Your earphones are now connected” which means both your devices are now connected to the RCharge neckband.
- You can now enjoy music and take calls from both your connected devices on your RCharge.

## Dual Connectivity

### Power ON/OFF:

**Power ON:** Press and hold the multifunction button (MFB) for 2 seconds until Blue Light flashes.

**Power OFF:** Press and hold the multifunction button (MFB) for 5 seconds until the Red Light is on for 2 seconds.

## Voice Prompt
