SLICED, SMASHED & KETTLE COOKED

Solula Tostones (“tow-STONE-ayz”) are grown, harvested, cooked and packaged in company-owned and operated facilities in Ecuador and Guatemala. We cook them, smash them and then cook them again, so they’re bigger, crunchier and tastier than ordinary plantain chips. Our proprietary batching technique and 48-hour turnaround from field to sealed bag locks in flavor and freshness.
