# DocuPrint M375 z / M375 df DocuPrint P375 dw / P375 d

Driving productivity to the next level

Plenty of power, user friendly yet secure, and loaded with handy features. The DocuPrint M375 z / M375 df and DocuPrint P375 dw / P375 d machines are a tough, compact, and practical solution for busy offices.

Personal or workgroup users, these economical models deliver convenience, connectivity and capacity from one single machine.

# **Powerful**

# Small size, big on power

- •Various models to choose from: basic single function printers to more feature-packed sophisticated all-in-one versions.
- Great functions & performance improve work flow & productivity within an office.
- •High speed (40 pages per minute) printing helps get the job done fast.
- •Additional paper tray option helps improve productivity for users with high print volume by reducing routine of replenishing paper.
- •Large capacity toner units cut down on toner changes.
- •Automatic Document Feeder\*1 enables speedy single-pass two-sided scanning\*2.
- \*1 Available on DocuPrint M375 z / M375 df.
- \*2 Available on DocuPrint M375 z.

Note: When using Fuji Xerox Print Utility, two-sided scanning is not available.

•Users can select different paper qualities and thicknesses according to their needs.

# Easy to use

#### Simple but effective

- •Compact, sensible and stylish design.
- •Select a machine size & functions just right for your budget & needs.
- •A range of user-friendly free-of-charge applications\* available to enhance productivity and connectivity and make it easy to print from your mobile phone.
- \* Fuji Xerox Print Utility, Google Cloud Print, Mopria.
- •Operated by a user-friendly, intuitive colour touch panel\*. Stylish, easy-to-use modern design.
- \* Available on DocuPrint M375 z / M375 df.
- Great connectivity: you select an access method that works for you.

  Simultaneous connection with Ethernet and Wi-Fi Direct\* enables you to connect with the machine from a fixed location (such as a desk), or on the run.
- \* Available on DocuPrint M375 z and DocuPrint P375 dw.
- Bypass Tray enables use of a range of thick paper stock to suit your individual printing needs.

# Reliable

#### Tasks done securely

- •Dependable & secure.
- •Secure Print function enables you, and only you to print and access your own output on-demand.
- •The Secure Function Lock feature means that you can control who accesses & uses the various functions of the machine to copy, scan or fax. Page limits can be set to help you manage costs.
- Responds to your high-volume printing needs with high durability. (Monthly Maximum Duty Cycle: 100000 pages)
- •1200 x 1200 dpi high resolution quality printing.
- Economical & effective: Delivers quality, power & reliability that is easy on the wallet. Low-profile device, but high quality output.

# DocuPrint P375 dw / P375 d

- •A4 printer
- •Print up to 40 ppm
- •1-line Liquid Crystal Display (LCD)
- •USB, Ethernet, Wi-Fi\*1 connectivity
- •Print only

The image shows DocuPrint M375 z.

# DocuPrint M375 z / M375 df

- •A4 all-in-one printer
- •Print up to 40 ppm
- •Colour touch panel
- •USB, Ethernet, Wi-Fi\*1 connectivity
- •Automatic Document Feeder: 70 sheets\*2
- •Print, copy, fax, and scan

- $^{\star}1$  Not available on DocuPrint P375 d and DocuPrint M375 df
- \*2 50 sheets on DocuPrint M375 df.

# Two-way (front & back) printing output

- •Simply select the output point (front or back output tray) that matches the type of paper to be used.
- •The machine adopts a straight paper path, which realizes face-up print output. No more curling when using thick paper. Nice and flat.

#### Packed with smart features

# Easy to use interface

- •The machine features an intuitive colour touch panel\* that allows you to swipe through the menu with ease.
- \* Available on DocuPrint M375 z / M375 df.
- •To start the operation, simply touch the colour touch panel\*. When you finish the operation, the display on the panel automatically turns off. Easy to use and energy saving.
- \* Available on DocuPrint M375 z / M375 df.
- •You do not need to enter the same settings repeatedly.

  Save your favorite settings as Shortcuts\*, which saves time and boosts the productivity.
- \* Available on DocuPrint M375 z / M375 df.

\* The above image shows the user interface on DocuPrint M375 z when the colour touch panel and other operation parts are all displayed.

Easy Front Access: Access print output and change-out consumables (such as toner and paper) quickly, simply and cleanly from the front of the machine.

- **1 Automatic Document Feeder\*:** Quickly scan, copy and fax one or two-sided, and multiple-page documents. Also scanner glass is convenient to scan thick documents such as books.
  - $^\star$  Available on DocuPrint M375 z / M375 df. The left image shows DocuPrint M375 z.
- 2 USB Port\*: Use your own USB drive to save scans or print directly from the USB.
  - \* Available on DocuPrint M375 z / M375 df.
- **3 Bypass Tray (50 sheets):** Capable of handling various different types & sizes of paper, envelopes, labels, and post cards.
- Standard Tray (250 sheets): This tray is for standard users. Various types & sizes of paper can be used.
- **5 520 Sheet Feeder**\*1: Even if users want to print high-volume documents, the machine can respond to the needs with a maximum paper feeding capacity 1340 sheets\*2.
  - \*1 Optional. 250 Sheet Feeder and 520 Sheet Feeder are available. Up to two optional feeders can be added.
  - \*2 When two 520 Sheet Feeders are added.

Note: Paper feeding capacity is based on 80gsm paper.

# DocuPrint M375 z / M375 df and DocuPrint P375 dw / P375 d, Functions & Specifications

For the printing function of DocuPrint M375 z / M375 df, please refer to "Print Function" of DocuPrint P375 dw / P375 d below.

Basic Specifications / Copy Function
