

DECLARATION OF CONFORMITY

Personal protective equipment (PPE) EU Directive 89/686/EEC, risk category I, for activities with minimal risk – EU 2016/425.

Manufacturer: OICAN AB, Odengatan 24, 553 23, Jönköping

Article number: 2201

Is self certified as a PPE category I and is in conformity with the provisions of PPE regulation (EU) 2016/425.

The PPE has been tested according to parts of EN 1621-1 and EN 812 and test result shows the PPE provides protection of the skull by decreasing peak impact forces and absorbing energy in the head impacts that occur during everyday playful activities in normal settings. The PPE provides better protection than hats without integrated protection.
