

# Welcome to Audrey Kay's Kreation's

Use this page to see what Options are available from Audrey!

Creating your own design can be fun and satisfying. You can choose from many Design Options SUCH AS:

Alcohol Ink

Or a Milk Bath Finish

Or try a Glow-in-the-Dark Finish to add a little fun to your Tumbler!!

You can add glitter

Or Flowers

Or a Wood Grain effect

Or you can create special effects like a smoky effect

Audrey also does some unique things with Fabric

And Leather

All of these choices AND MORE are available during checkout. Just add them to the Tumbler or Vase of your choice. BE SURE to select the colors you want. These can be added to the "Special Instructions for Seller" Section Block located in your Cart.

Designing your Tumbler is only the start. You can also add an array of Stencils available in the Decals Collection. BE SURE to check them out!

You can add a Monogram

Your Name

Or Your Initials

If you have an image of yourself, your family or some favorite place you visited and you want it on your Tumbler, NO Problem!

Audrey also does Waterslides

All of these choices AND MORE are available during checkout. Just add them to your Cart once you have selected the Tumbler or Vase of your choice. BE SURE to check out each Design and Decal Option as some have restrictions and some have an up-charge.

You can access these categories from the [Home Page](#) along with the Tumblers and Other Products Collections which provides sample images of the products and their pricing along with any special requirements.

So, get started on your adventure with Audrey Kay's Kreation's.
