

HUSQVARNA 520iHD70

Powerful yet lightweight and well-balanced battery-powered hedge trimmer for commercial use with 70cm double-sided cutting bar that gives you a great range. New proprietary motor and new powerful battery will allow you to maximise your working time. The pivoting rear handle makes it easier when cutting both vertically and horizontally.

Gear up for nonstop operation

Our battery accessories allow you to carry on and get the job done as quickly and efficiently as possible.

Low maintenance

No refilling of fuel, less parts to serve and an electronically controlled drive system means less downtime and low operation costs.

Silent operation

The noise level from our battery machines are up to 13 dB(A) lower than a petrol machine – which is a huge difference. A reduction of 3 dB(A) is usually perceived as a halving of the noise level. This makes work a lot more pleasant for you – and also allows you to work in the most public of settings.

Multi position handle

The rear handle can be put in multi positions to facilitate cutting the sides and top of hedges.

FEATURES

- Low noise level for a pleasant work environment
- Low maintenance and less downtime
- Gear up for nonstop operation
- Multi position handle for easier cutting
- High power equally to petrol performance
- Allows you to quickly switch the same battery between different product applications and keep working.
- Low total weight through few components and lightweight motor.
- Weatherproof (IPX4) - Use in all weather conditions
- The key pad is very easy to operate.
- Well balanced for easy handling
- Smart battery pack position, placed horizontally through the body of the machine.
- Choose savE™ mode for maximum runtime
- The 4000 cuts per minute ensure great cutting results.

Technical Specifications

BATTERY	
Battery	No
OEM Battery charger	--
Battery type	Li-Ion
Battery voltage	36 V
Number of batteries included	--
Weight with battery	5.2 kg
CAPACITY	
Cutting speed	4000 cut/min
Teeth opening	32 mm
DIMENSIONS	
Article gross weight	6000 g
Article net weight	4130 g
Knife Length	70 cm
Weight without battery	3.9 kg
ENGINE	
Gear ratio	0.10
Motor type	PMDC (4-brush)
EQUIPMENT	
Technical Platform	536 LIHD
LUBRICANTS	
Power/fuel type	Battery
PACKAGING	
Packaging height	288 mm
Packaging length	636 mm
Packaging volume	54.95 dm ³
Packaging width	300 mm
Quantity in Master pack	1
MATERIALS	
Master pack: Paper + Cardboard	0 g
Metal total	0 g
Other plastic: rigid	90 g
Paper	4400 g
Paper + Cardboard total	4400 g
PE total	0 g
PET total	0 g
Plastic foil	0 g
Plastic rigid	90 g
Plastic total	90 g
PS/EPS/HIPS total	0 g
SOUND AND NOISE	
Sound power level, guaranteed (LWA)	94 dB(A)
Sound power level, measured	89 dB(A)
Sound pressure level at operators ear	78 dB(A)
VIBRATION	
Daily Vibration (Aeqv)	3.5 m/s ²
Daily Vibration Exposure (A8)	2.1 m/s ²
Daily Vibration Time (Time factor)	3 h
Equivalent vibration level (ahv, eq) front handle	2.3 m/s ²
Equivalent vibration level (ahv, eq) rear handle	3.5 m/s ²
