

HUSQVARNA LC 141i

Ideal for homeowners or for trimming complex areas, this intuitive hassle-free battery mower can mow an average-sized garden quickly and quietly in a single charge. The mower is easy to manoeuvre due to its light-weighted and compact deck and the ergonomic handle makes it easy to steer even round small places. Compatible with Husqvarna BLi-batteries system.

Power Boost

Automatic increase of blade speed when mowing in tough condition means extra power when needed

savE™

Choose between normal or savE™ mode, depending on conditions, for maximum power or maximum runtime. Either way, you'll always get a perfect result.

Intuitive key pad

The key pad is very easy to operate. All information you need in one place

Lifting handle front and rear

Easy grip in front and rear for lifting into storage, the car or carrying up stairs.

FEATURES

- Intuitive key pad for easy operation
- Choose savE™ mode for maximum runtime
- PowerBoost - extra power when needed
- Lifting handle front and rear
- Central cutting height adjustment
- Ergonomic handle bar
- Easy foldable handle bar
- Handle height adjustment
- Li-ion power, long lasting power and top class performance.
- The low noise provides a comfortable work situation and low disturbance for others.
