

Husqvarna LC 151

Husqvarna LC 151 is an easy-to-use push lawnmower with collection, BioClip® (mulch) and side discharge option, suitable for medium to large sized lawns. The robust 51 cm steel cutting deck and the reliable and easy-start Husqvarna engine are built to tackle difficult mowing with great cutting results, while the ergonomically handle bar with soft grip offers a less-straining mowing experience. Easy foldable handlebar, convenient bail design and easy-adjust cutting height make every mow simpler. Collect blade leaves less clippings on the lawn for a tidy, professional look.

Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

Ergonomic handle bar

The ergonomic angle of the handle bar in combination with easy to reach bail arms makes operation easier.

3-in-1 cutting system

This lawnmower offers versatility through several cutting options. Choose the cutting mode you require to achieve optimal results: collection for a tidy lawn. BioClip® (mulching) for lawn fertilization and side discharge for less frequently cut areas.

Easy grip for lifting in the front

Easy grip for lifting into storage, the car or carrying up stairs.

FEATURES

- Collection, BioClip® and side discharge
- Ergonomic handle bar
- Central cutting height adjustment
- Easy grip for lifting in the front
- Easily foldable handle bar to facilitate transport and storage
- Dust blocker bag
- Easy adjustable handle bar
