

Husqvarna PW 345C

High performance, robust and purposeful design, and excellent results are the top features of this high-pressure washer, perfect for demanding jobs such as vehicles and stone walls. Aluminum telescopic handle and power cord storage with quick release make your transportation and storage convenient and easy. Two swivel functions, for nozzle adjustment and quick connection, prevent hassle. On-board accessory storage and hose reel make operation efficient. The metal pump secures a long product lifetime. Two nozzles and one foam sprayer are included.

Flexible High-Pressure Hose

Added comfort and user-friendliness thanks to the flexible, non-tangling hose.

Quick Hose Coupling

The quick coupling of the hose reduces your set-up time and helps you to quickly get started with your cleaning tasks.

Metal Pump

The pump is made of metal to minimise the risk of breakage and to give your product a long lifetime.

Aluminum Telescopic Handle

The robust, extendable handle makes your transportation and storage convenient and easy.
