

## Splitting Axe - Small

This Small Splitting axe is best suited for basic splitting of lighter fire wood. The head is designed to go easy into the wood, with minimal effort by the chopper, and split the wood in two parts. The small size makes it possible to use with one-hand grip. Comes with an edge cover in leather. The head is attached to the handle using both a wooden and a steel wedge to secure fastening.

## FEATURES

Technical Specifications	
<b>DIMENSIONS</b>	
Article gross weight	1440 g
