EXPERIENCE THE POWER *of the* RARE AND THE BEAUTIFUL

ALMATA WOOL THROW PILLOW

DESCRIPTION

Wool throw pillow in a contemporary organic design hand-woven on a pedal loom in Oaxaca, Mexico. Natural, vegetable and plant dyes. The Zapotec and Aztec tribes started the creation of textiles utilizing the land, crafting string and dyes from plants and insects, later incorporating new methods, materials and styles introduced by the Spanish. Today, Mexican textiles are still majority produced by only a handful of indigenous cultures.
