EXPERIENCE THE POWER *of the* RARE AND THE BEAUTIFUL

BOLA SABAO SOAPSTONE POTS

Form and materiality take center stage in these hand-sculpted pots. Bola sabão are small soapstone pots decorated with brass details featuring a rounded shape and fluid color patterns reminiscent of floating soap bubbles. Expect variations in color due to the nature of the material. These delicate pots are not only decorative but functional as well, as they can be used to store small and semiprecious objects.

MATERIAL & COLOR

Brazilian Soapstone, Brass Decorative Accent - Soapstone is a natural, delicate, soft, and porous rock. The color of soapstone can vary from a gentle beige to bright blue, silvery grey, and even warm pink tones. Darker color veins run through the stone forming a unique pattern to each piece.

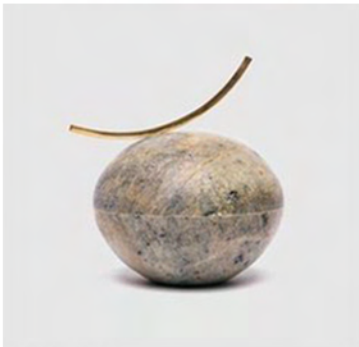

CARE

Scratches can be easily removed by gently sanding and polishing the area with a fine grit sandpaper.
