

Hello.

Congratulations on purchasing your new Ergotec ET-210.

At Ergotec, we understand every body is different and have carefully designed our massage chair with that in mind. But enough about us, this is about you. Learning how to use your new chair is simple (we designed it that way).

So let's get started.

Assembly Instructions

- 1** **Open the box and remove all contents.** Remove the packing materials. Take the chair out of the box. Collect all the accessories and put them aside.

- 2** Attach the seat pad. Make sure Velcros aligned together. Then zip the zipper between seat pad and footrest cushion.

- 3** **Connect the chair to a power supply and turn on the power switch.** Now your massage chair is ready to go!
