

SUPPORTER X2 PN: 22-797E12E

NEW

The "ALL IN ONE" Vehicle Stabilizer!

TwistLock Quick Release 40 in / 101.6 cm strut with attached 30 in / 76 cm extension. Integrated ABS Ratchet Strap System, 6" Hinged Base Plate with 2 stake holes and Spike Base for extra strong hold. All in ONE system!

Stronger, Faster, Safer! No Assembly Required!

When you to stabilize a vehicle at an accident scene as quickly as possible, this is your solution. There is nothing faster or stronger! With its innovated TwistLock Collar all you need to do is TWIST, EXTEND, LOCK. The Supporter X2 can easily stabilize 10,000 lbs / 4,535 kg with a 2:1 safety factor at ANY height. NO LOAD CHART NEEDED.
