S53 XL QUICK ADJUST CHAIN PACKAGE

QUICK ADJUSTERS

These connect into the tip of the S53 spreader and allow the chain to be fed through and locked into place very quickly.
Scan QR for more info.

GRADE 70 CHAIN

This kit includes two 7 foot sections. This chain is designed specifically to work with the supplied quick adjuster.

GRAB HOOKS

One hook should be attached to one 7 foot chain piece. Hook can then be used to aid in secure placement of the rigging and allow for a safe and secure evolution.
