

DETOXIFY. DEODORIZE. SANITIZE.

SOOTSOAP harnesses the power of Binchotan Charcoal and other natural ingredients to provide a deep, natural, detoxifying clean, and to eliminate even the toughest odours with just one wash.

Plus, try our famous Hand Sanitizer Gel, giving a premium experience to safety without drying out your hands or leaving you smelling like yesterday's hangover.

SHAMPOO

Detoxifying & deodorizing Shampoo draws out harmful impurities without stripping the hair and scalp of their natural and healthy oils. SOOTSOAP Shampoo is also gentle and healing for psoriasis and eczema, as well as effective on dandruff. Our Shampoo is black in colour but lathers white, with a subtle scent of fresh aloe and citrus spice.

INGREDIENTS

Water, Cocamidapropyl Betaine, Sodium Coco-Sulfate, Caprylyl/Capryl Glucoside, Glycerine, Aloe Barbadensis Leaf Juice, Charcoal Powder, Brassicyl Isoleucinate Esylate, Sodium chloride, Brassica Alcohol, Benzyl Alcohol, Salicylic Acid, Sorbic Acid, Guar Hydroxypropyltrimonium Chloride, Salvia officinalis, dl-Panthenol, Melaleuca Alterniflora (Tea Tree) Leaf Oil, Bergamot Oil, Hydrolyzed Silk

HAND & BODY SOAP

Detoxifying & deodorizing liquid soap draws out harmful impurities without drying you out. Our Hand & Body Soap is black in colour, with a soft, spicy scent of coriander and lavender that will give you a deeper clean and leave your skin baby soft.
