OUR WINE

Interesting, unique and delicious wines imported directly from our growers along with their story. All best in class.

OUR HOSTING

Engaging, classy and fun!
With you and your guests at the centre of it all.

"Tom and his team have a reputation for hosting spectacular tasting events - and I can safely say, they didn't disappoint. The wine on offer was of a very high class, over shadowed only by the engaging MC himself. Looking forward to the next one already!"
