📈 Increased Sales

A professional, attractive display of Artec Industries products can significantly boost customer interest and sales.

🏠 Product Stand Features

Dimensions:
4 feet x 4 feet, adjustable height.

Modularity:
Tailored to suit dealer's clientele and store layout.

📄 Sign-Up Process

Email sales@artecindustries.com
Or call **855-278-3299**
Or Contact your Local Sales Representative

🏆 Brand Association

Being associated with a reputable brand like Artec Industries can enhance the dealer's store image and credibility.

🗣️ Customer Engagement

Interactive and visually appealing displays make it easier to engage customers and highlight product features and benefits.

📣 Marketing Support

The display acts as a marketing tool, enhancing in-store promotions and product visibility.

Costs:
The display stand is provided at no cost, while the products for display are offered at cost price. Dealers are responsible for covering the shipping expenses for both the stand and the products.

📋 Terms and Conditions

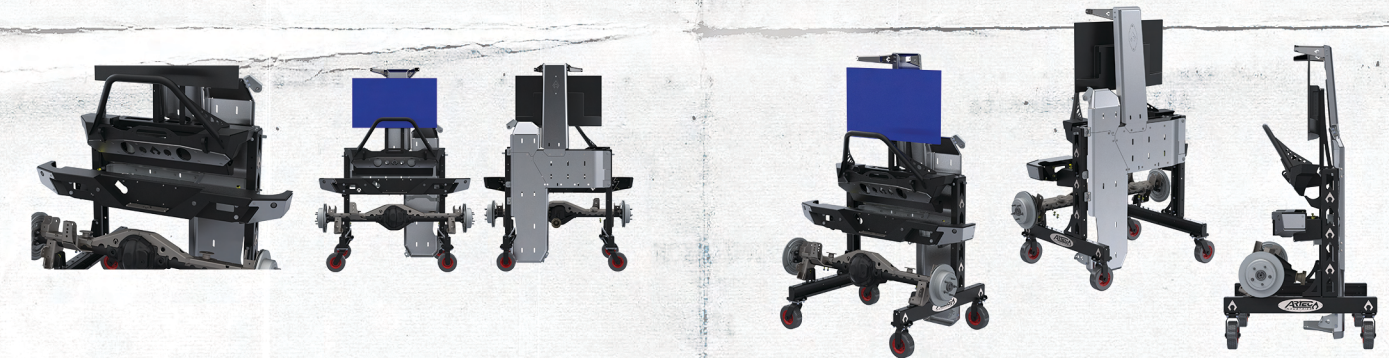

1. Must be a Artec Authorized Dealer.
2. All shipping charges covered by the Dealer.
3. Only allowed new product once a year.
4. If product is used from the Display the Dealer has 30 days to place a PO for the product needed or they will be charged the full MSRP for the display stand.
