

Multifunctional Countertop Oven

A steam oven, a convection oven, an air fryer, and a dehydrator, all in one product.

Steam-Bake Mode

FOTILE's unique Steam-Bake mode creates moisture in the oven, while convection baking ensures uniform heating so your food cooks evenly.

Steam Self-Clean

Efficient steam heating system sterilizes the non-stick interior with high steam.
Cleaning an oven has never been easier.

40 Preset Menus

From omelette and pizza, to roast chicken and BBQ ribs, enjoy effortless cooking and create anything you can imagine with just one touch.
